

Mr. White will give an online presentation on „Antibiotic reduction experiences in Pigs“ for a selected group of participants on 25th October 2022.

The webinar will be recorded by AGES Academy for the event „EAAD 2022“ on 17th November 2022 organised by the Austrian Federal Ministry of Health, where it will be shown to a public audience.

Mr. White's presentation will take about an hour. After wards, there is room for questions and discussions.
